Share Great Fellowship, Music, Ice Cream at the CommUnity Ice Cream Social on Thursday, August 17

Kendal at Oberlin's CommUnity Ice Cream Social, our annual outreach to our friends and neighbors, will be held on Thursday, August 17, from 6:00 to 8:00pm. Once again, the event will take place in the field at the corner of Maple and N. Pleasant Sts. "Consensus" and others will provide live music. Join us for an evening of fellowship with our friends and neighbors (including Kendal priority list members) over an ice cream treat.

The Kendal bus will shuttle residents to the Social, leaving the Heiser entrance beginning at 6:00pm. Please be patient -- the bus will continue to circuit until the Social ends at 8:00pm. If it rains, the Social will be moved to the Heiser Auditorium. We hope to see you all!

Kendal Health Services Forum Wed., Aug. 23 - 4:00pm - AUD

- Kendal's AEDs (Automated External Defibrillators)
- Jameson House Programming and Timeline
- Ohio Living Home Health Benefits for KatO Residents
- Questions and Answers with Georgia Newman, MD, Medical Director

Kendal is installing two Automated Electronic Defibrillators, one in the Fitness Equipment Room and one in the Heiser Community Center. A process will be initiated to ensure that an AED is used only on those residents who desire it. If residents do not want an AED used, Kendal will require that a sticker stating "Do Not Resuscitate" be attached to the back of their Kendal name tag. If a resident does not have this sticker on the back of their Kendal name tag, an AED could be used. These stickers will be available in the Health and Wellness Clinic after August 23 by appointment. Kendal staff will ensure the proper DNR documentation is in place.

A Look Ahead at 2018 Budget Meetings

Kendal Staff Members Are Grateful for Vacation Fund Checks

A total of 163 Kendal at Oberlin staff members, including our Beauty Salon staff member, happily received Vacation Fund checks in amounts ranging from a minimum of \$50.00 to a maximum of \$374.11.

The total amount our generous residents gave was \$48,091.33, which we believe is the largest collection yet since this tradition of gifting staff members bi-annually began years ago. Please know how very much appreciated these gift funds are by our dedicated staff members. Thank you!

KNOW YOUR KORA COUNCIL

*Speak your heart they will hear/
hearts speak to each other/
even when minds don't listen*
~Ruth Forman

At July's KORA Council Meeting 67 people were in attendance. It is affirming that even during summer months so many of you turn out. Your interest and participation in Council Meetings strengthens the Association. Meetings are an important time to learn what is happening at Kendal, to ask questions, and to connect with other residents. Your voice and presence are valued. Newcomers are especially encouraged to be at meetings. Be sure to mark on your calendar Thursday, August 17, at 10:00am when we will meet again.

In August two of Council's *ad-hoc committees* will be reporting and asking for input. The bylaws *ad-hoc* will be recommending changes to KORA bylaws, and the 25th Anniversary Themes and Slogans *ad-hoc* will be offering their suggestions.

Also please note the article at the top of this page in which the KORA Nominating Committee asks you to suggest residents for office who you feel would represent you well on KORA Council. Resident leadership in KORA governance and programs is important to the values that make our community unique.

Again, I urge you to check out the KORA and Volunteer Bulletin Boards. This month on the KORA Board, you will find the KORA Council letter faxed to Senator Portman raising our concerns about health care legislation. In one of the pocket folders are a full set of minutes and reports of July's KORA Council Meeting. In another folder is the committee list (107 committees, their chairs and liaisons) and A/V Instructions for Presenters in Heiser Auditorium.

Down the hall by the Kendal Early

Nominations Sought for KORA Council

The KORA Nominating Committee's task is to prepare a slate to fill the available positions on KORA Council, which consists of 11 councilors and four officers. To begin this process, we ask residents to suggest people who you feel would represent you well as councilors and/or officers. We recommend that these residents should have lived at Kendal for at least one year. Your suggestions should be submitted to Box #157, **in writing before August 15**. Please get the consent of the person whom you are suggesting, making clear that your suggestion does not guarantee that he/she will be on the committee's recommended slate. There are usually more well-qualified persons than places available. From this pool of names, the committee nominates a slate of candidates to present to the KORA Annual Meeting in November for ratification by consensus. If nominations are made from the floor (permissible under KORA's constitution), the election will be decided by ballot.

~2017 Nominating Committee: Elizabeth Aldrich, Ardith Hayes, co-chairs; Anne Martin, John Matsushima, Marilyn Myerson

Learning Center is the Volunteer Bulletin Board. At each KORA Council meeting, we take time to learn about volunteer opportunities. This month Diane Follet talked about Supporting Friends and appealed for more volunteers, and Joyce Parker explained two volunteer projects: one in the Craft Room turning used towels into house-keeping rags and one in the Art Studio making small pots as thank-you offerings. Volunteers are needed in the Cardinal Shop. Pet Projects is seeking dog walkers and kitty feeders. The Hospitalization Notification Committee could use assistance. Among these offerings are big and little ways to volunteer. Details and contact information are on the Volunteer Bulletin Board.

We are a community of ideas, but volunteers doing the work and participating make them a reality.

Big Bus Trip in September to Cleveland Museum of Natural History Monday, September 18 10:45am – 5:15pm Cost: \$42

The Kendal Day Trip committee announces a big bus trip to the Cleveland Museum of Natural History. This museum is considered among the finest institutions of its kind in North America. The Kendal day trip will give an opportunity to:

- Visit the various galleries of the museum.
- Experience the current special exhibits.
- Explore the new Perkins Wildlife Center and Woods Garden.
- Enjoy the planetarium program.
- Lunch in the Exploration Restaurant (at personal expense or bring a box/bag lunch).
- Travel in a comfortable coach (with an on-board toilet).

To reserve a place for this trip: Sign the sheet in front of the mailboxes. Make payment of \$42 payable to KORA given to Gary Olin, Box #136. (A place is reserved only with payment in full.) Trip coordinator: Gary Olin.

Grobe's Fresh Produce Returns to KatO

Grobe's seasonal produce will be available for purchase in our Heiser Lounge on Fridays, 10:30am-1:30pm for the remainder of the growing season. All purchases are by cash or check. Single pieces of produce are available.

Lunch Bunch: 1833, Hotel at Oberlin Wednesday, August 9

The 1833 Restaurant on the first floor of the Hotel at Oberlin offers seasonally inspired menus, featuring locally sourced ingredients and regional artisan products.

It serves soup, salads, and an array of sandwiches, plus some tasty desserts and a selection of draft and craft beers.

Bus leaves Heiser at 11:30am, returning about 1:30pm. No charge for Kendal bus. Sign-up sheet is posted on Tuesday, August 1.

Bus to the Cleveland Orchestra 2017-2018 Sunday Series S1

Each year we organize bus transportation from Kendal to Severance Hall for the Cleveland Orchestra **S1** Sunday afternoon series.

We are planning buses for the four concerts of the 2017-2018 Cleveland Orchestra **S1** series beginning November 5 for all those who are renewing their subscriptions and plan to take the bus. For new residents of Kendal, please order your tickets directly from the Cleveland Orchestra Box Office for your preferred seating. The bus is a convenient way to travel to the concerts and takes us right to the door. Bus ticket cost is determined by number of riders. Please indicate your interest on the bus sign-up sheet opposite the mailboxes. For more information about concerts and orchestra buses, contact Anne Martin or Randy Wagner.

Northern Ohio Youth Orchestra Summer Symphony Concert Sat., Aug. 12 - 11:00am - AUD

Sigourney Weaver investigates China's progress in reducing emissions. China invests more money in clean energy than any other country.

Art Gallery News

Have you seen the magnificent new sculpture in the lawn area outside the Patterson lounge on Heiser Circle? It was created by Richard Nord and purchased by a resident who donated it to Kendal. Richard, who has created several sculptures in and around Oberlin, will talk about his work at a reception on Tuesday, August 15, at 4:15pm in Heiser Auditorium.

Next up in the **Kendal Gallery** is the Cleveland Museum of Natural History's Guild of Nature Artists. A reception will take place on Friday, September 8 at 4:30pm in Heiser Lounge. The encaustic painting of Kathy McManee will be installed in the **Community Gal-**

lery on August 19. A reception will follow at 4:00pm in Heiser Lounge. The **Friends Gallery** will display the photographs of Selina Bartlett, images from her travels around the world. She will discuss her work in Friends Corner Dining Room on September 15 at 2:30pm. Lee Hefner's small treasures in the **Curio Cabinet** will be followed by the Coluccis' collection of small porcelain houses which they've purchased in their travels all around the world.

Kendal Resale Shop Talk *Benefiting Kendal Resident Assistance Fund and Community Charities*

Throughout June and July, KRS processed hundreds of donated items. Those who frequent our Resale Shop have seen our showroom fill up and empty over and over again during these past months. We have been fortunate to receive so many donations that our customers appreciate. In addition to the items we've processed for immediate resale in our shop, we have stored seasonal items, such as winter clothing and holiday items, in our backroom as storage space permits. We will move these items to our showroom for resale during the appropriate months. However, KRS cannot store or resell all the items we receive in our Resale Shop. Those we cannot resell are usually too large to display in our showroom (e.g., king-size beds); not resalable (e.g., mattresses); or of poor quality or in low demand. These are passed along to over 12 non-profit community groups including:

- Clothing, shoes, housewares, electronics to Goodwill Industries;
- Furniture and lighting fixtures to Habitat for Humanity ReStore;
- Linens and kitchen supplies to Family Promise, which helps homeless families;
- Winter coats, gloves and scarves to Oberlin Community Services;
- Fabric and sewing notions to Women of Worth, which supports incarcerated women;
- Braces, crutches and other durable medical equipment to BUSES International, which provides mobile medical clinics;
- Books, CDs and DVDs to Friends of Oberlin Public Library;
- Suitcases to the Salvation Army for its foster child program; and
- Eyeglasses to the Lions Club.

Resale Shop deposits to the Residents Assistance Fund for the month of June totaled \$1,617.80. Thanks to all our donors and shoppers!

DID YOU KNOW? In 2014 when our new Resale Shop was being designed, Arn Lewis knew KRS needed an intentional donation box, one easy to use by everyone. (We previously had only a large cardboard box behind the main desk in Heiser.). Arn generously offered to create one for us. Little did we know what a beautiful, functional box he would design to fit our exact space and needs. All of us have been grateful to him ever since. We learned much later that he made this box on his kitchen table at home! So, when you pass by the Kendal Resale Shop or come to make your donations, please pause a moment to enjoy the beauty of this box and to give thanks to Arn Lewis, one more time.

THANK YOU! Keep those donations coming and keep shopping the KRS!

~Nancy Lombardi, Chair of the Kendal Resale Shop.

Fun Fitness 2017 Report

There was lots of enthusiasm this year with several new events in the Week of Fun Fitness. Turnout was similar to that in 2016 with 182 residents (R), 87 staff (S) and 20 KELC (K) kids. The **luncheon**, with changes to the menu, was attended by 111 (R), 28 (S) – a big thank you to Ann Pilisy for her assistance.

New events this year included **Dog Walk**, which was merely an add-on to the **Perimeter/Heiser Walk** (thank you, Jeni Hoover) to include our furry walking pals. We had 30 (R) and 9 (S) walkers. **Dog Fun** was held in front of the Patterson patio with 25 (R), 19 (S). The **Trike Relay** held in the driveway in front of Heiser was an opportunity for the KELC kids (20) to pick up tokens from seated residents (6) on a very cold and windy day.

Name That Tune (orchestrated by

Marian Lott) was enjoyed by 43 (R) and 8 (S) with several others listening from afar. **Lounge Croquet** held in the Heiser Lounge under Jerry Berner's supervision was a lot of fun with 23 (R) and 15 (S). Elizabeth Hole with help from Lorraine Crites put together a fun **Outdoor Observation walk** 26 (R) and 3 (S). Beverly Fordyce put together the **Indoor Walk** 34 (R) and 7 (S). **Cycling** had 19 (R) and 1 (S) counted by Jill Wettersten. Nancy Hultquist tallied 19 (R) and 3 (S) **lap swimmers**. Dan Reiber oversaw **miniature golf** with 22 (R) and 6 (S). Donna Baznik's **water balloon toss** had 15 (R), 6 (S) and 14 (K) tossers. Joe Luciano and Rachel Fordyce's **Baggo** collected 41 (R) and 17 (S) to pitch the bags. Ed Wardwell assembled 9 (R) and 16 (S) to shoot **basketball** in the Facility Services parking lot. Sidney Rosenfeld's evening **Robot Table Tennis** enticed 22 (R) with several new players taking a shot at it. Dan Reiber and Kim Peters oversaw the **Walking Relay** in a new location (behind the Education Center Bldg.) with 9 (R) and 9 (S). Fitness Staff Jill Tvaroha and Saun Howard manned the **Shot Put Throw** in the Croquet Yard with 7 (R) and 11 (S). Jara Dell's **Lawn Games** had to move into the

More About Kendal's New Residents

Mary and Fred Behm

Mary: I was born in Washington, DC, at the end of World War II, growing up in Highland Park, NJ. We spent most summers on Keuka Lake in the Finger Lakes -- idyllic times. Wanting a small liberal arts college away from home, Oberlin was perfect, especially with its Conservatory since I love music. I cycled through a number of majors, ending up in German. I met my husband, Fred, while he was working in Oberlin, and we married right after graduation. Having studied so many subjects worked out to be the ideal education for my career as a school library-media specialist, since that required knowing a little about a lot of different subjects. I worked in various public school districts in the Elyria area, also earning a master's in Library Science from Case Western Reserve University. We lived in Elyria for 25 years and in Grafton for nearly 26. We have one son, Brian, a gastroenterologist at University of Virginia. His wife, Carolyn, is a cardiologist in private practice. We have two wonderful grandchildren: Matthew (now 11) and Allison (now 9). We go to Charlottesville often to help care for the grandkids. Fred and I love to travel, from intriguing local places to more exotic locales like China, Australia and Africa. We attend lots of concerts, especially Apollo's Fire, art shows, galleries, museums, theater and lectures. I volunteer a lot, particularly with FAVA, Center for Life-Long Learning at LCCC, my Oberlin class and AAUW. We love gardening and look forward to exchanging our 2 1/2-acre garden for a smaller one. We also look forward to making new friends and joining the wonderfully vibrant Kendal community.

Fred: I was born in Cleveland, OH, in 1934, growing up in the old Brooklyn neighborhood on the west side. I went to James Ford Rhodes High School, then Ohio State School of Agriculture before being drafted into the U.S. Army. I spent two years in Germany in the 3rd Armored Division. I worked in the dairy-farming and food-service industries before starting as a salesman at the wholesale Superior Electric Supply Co. When the owner retired, I bought the company, retiring myself in 2002. My wife, Mary, and I met while she was a student at Oberlin College. We married in 1966 and have one son, Brian, a gastroenterologist at the University of Virginia. His wife, Carolyn, is a cardiologist in private practice. They have two children, Matthew and Allison. My free time is spent traveling; collecting everything from stamps (first day covers) and U.S. and Confederate currency to Chinese teapots and fine art glass; politics; gardening; attending theater, concerts, museums; and reading

Report from the John Bartram Arboretum: Mourning our Ash Tree Loss Reflects Need for Diversity

In September 2010, the *Plain Dealer* announced that "Ohio's war against the emerald ash borer is over; the bug won." By then the borer was in all our 88 counties, and by now it has killed hundreds of millions of native ash trees in North America. This insect kills by boring tunnels under the bark to lay eggs. The tunnels disrupt the water flow up the trunk of the tree so that the branches do not get needed water and nutrients. Once an ash tree is infested, it usually dies in less than five years. Around 10% of Ohio trees had been ash. Our Arboretum display table in Heiser for August will have a slab of ash wood with the bark removed, showing the tunnels which the emerald ash borer created. It is hard to imagine that such a small insect can bring down such a magnificent tree.

We at Kendal at Oberlin are feeling the sadness. Very recently a prominent ash was removed just north of the Troll Bridge when it was judged by our Ohio Forester Alan Siewert to be a safety hazard which could easily fall in a storm. About one-third of its branches were still growing leaves, but its structure was very weak. The cut stump has now tried valiantly to grow again from the roots. But it will not be a tree again.

Instead of cutting down all ash trees to stop the spread of the borer, Wayne National Forest in Ohio is letting many stand, hoping that they will be able to find some resistant to the borer. Remember the beautiful American elm? Research groups are still trying to find the unusual elm tree resistant to the Dutch Elm Disease, a fungus spread by the elm bark beetle which reached North America in 1928 on imported lumber. Over 75% of 77

(Continued on p. 7)

Mourning Ash Tree Loss...

(Continued from p. 6)

million North American elms were lost by 1989. Some of the research involves tweaking elm genes. Kendal resident Elizabeth Aldrich had one such elm given to her by a friend and planted at Kendal by Ryan Stalzkowski, but unfortunately it lived only about five years. Research is continuing with some new cultivars developed at the University of Wisconsin, now ready to be moved to test plots. Perhaps our arboretum can be a new trial location. Remember! As we add to our trees and shrubs here at Kendal, we need to remain cognizant of developing a diverse collection so that a disastrous disease or pest would have minimal effect. Let's learn from our losses and rejoice in the beauty of nature, thinking together about what trees and shrubs we do not already have here which suit our particular locations.

Table Tennis News

Consulting directly with Kendal, a new retirement community in Florida modeled its table tennis program from the start on ours. Reports tell us that large numbers of residents are enthused by their high-quality tables, surround barriers, and back-sparing ball scoops. Also, with safety foremost in mind, the table tennis organizer at an East Coast Kendal -- who knows our program through *The Kendalight* -- inquired about our playing conditions. It gladdens us that we can help seniors elsewhere enjoy playing table tennis! Just as Doyle Harbaugh's good humor and patience in coaching us are boundless, our thanks to him go beyond measure. By the last week in July, Doyle had practiced with us twice for two full hours, and there was good prospect that he'd return on the 31st. After each session with him, we leave the table improved and encouraged. Deepest thanks to you once again, Doyle!

The Cardinal Shop Needs Volunteers - Help!

The Cardinal Shop serves Kendal residents and staff by providing a convenient on-site source of small essentials and gifts. In addition to offering greeting cards, candy bars and sundries like bars of soap, the shop is an outlet for our resident creative artists. We have unique pottery, paintings, vests, note cards and more -- all crafted by Kendal residents.

The shop contributes most of its profit to the Residents Assistance Fund and a small amount to the Staff Emergency Fund.

In order to stay open five days a week from 10:30am to 1:00pm (and until 3:00pm on Fridays), we need volunteer cashiers.

If you can help us, drop a note in the Cardinal Shop open mailbox or call Cate Schwaegerle.

Taking a Summer Break

• **First Church Fellowship** and the **UU Kendal Gathering** will each meet next in September when their 2017-2018 programs begin.

• **Solo Diners** and **SPINACH (Senior Persons Interested in Nutrition And Community Health)** dining groups are on summer hiatus. Both invite Kendal residents -- newcomers and oldtimers -- to join them again in September.

Recycling Reminders: How do we handle our recyclables?

Place on the Langston kitchen conveyor belt:

All compostable carry-out containers from Kendal dining rooms and reusable green plastic take-out boxes.

Place in the designated containers in your trash room:

All paper (newspapers, mail, catalogs, magazines, flattened cardboard such as cereal boxes);

Cleaned food containers -- glass, cans, plastics (#1-7), milk cartons and juice bottles;

CFL and fluorescent tubes.

Place in the designated containers in trash rooms #3, #8 or #9/10:

Intact plastic bags;

Packing peanuts, bubble wrap.

Place in the designated box under the copier in Kendal Library:

Printer ink cartridges.

Place in paper bags outside the trash rooms:

Lawn and garden clippings.

Take to Lowe's, Home Depot, Best Buy, Staples, Sears:

Rechargeable batteries, cell phones.

Call Facility Services for disposal of electronic items.

All items that are not recyclable or compostable are TRASH.

For more on recycling, click on the "Green Living" button on the KORA website (kaores.kendal.org). You'll find the pamphlet "Kendal at Oberlin Suggestions for Environmentally Sensitive Living" as well as other information.

The semi-annual update of the buddy lists for each Kendal neighborhood has been completed. The area coordinators now are:

1st Floor Apts. - Betty O'Connor

2nd Floor Apts. - Carl and Barbara Whitehouse

Phase I - Mary Lynne Grove and Marian Lott

Phase II - Marie Evans

Phase III - Judy Tandy

Cottages 1-24 - Elizabeth Brinkman

Cottages 25-52 - John Leinenweber

Cottages 53-80, 101-104 - Nancy Cooper

Cottages 83-100, 105-120 - Jill Wettersten

Cottages 121-141 - Kay Rider

If you are not yet participating in the Buddy System, feel free to contact your area coordinator for more information and assistance.

As you plan vacations or perhaps a move to the Stephens Care Center, remember to notify your buddy and help find a replacement buddy, when possible.

Thank you all for your help with this. The Buddy System really does keep us safer.

Buddy System Coordinator

Walk to End Alzheimer's Sat., Sept. 23 - 9:00 am Tappan Square

Join the Kendal at Oberlin team of staff and residents to help a cause that is near and dear to all our hearts. We are delighted that, for the second year in a row, the Walk to End Alzheimer's will take place here in Oberlin. Bring your family or friends to join in the fun. All are welcome! Contact Laurie Dupee (775-0094, ext. 346) to register with our KatO team by Sept. 8. We'll be glad to assist you with the registration.

The Langston will sponsor Purple with a Purpose Fridays in August and September. All proceeds will benefit the Alzheimer's walk on September 23.
